NEW WORLD, NEW WISDOM
FOR TEACHERS: 21ST CENTURY SKILLS
FOR THE CLASSROOM #2401

3 sessions, Saturdays
 September 26, October 24 & November 14
 9:00 AM – 12:30 PM Room 300
 Instructor: *Brad Schmicker & Mike Theiss*
 Fee: \$59/session, all three for \$139 1.0 CEU

◀ These three super Saturday sessions are for PK-14 educators, administrators and home school teachers. ▶

SESSION 1: Web 2.0 Tools, Google Tools and Mash-ups

-- Learn the rationale behind the use of these tools as our educational systems “retool” for the 21st century learning. Discover some of the currently popular programs and techniques used in classrooms around the world including Google tools and “mash-ups.” At the end of the session you should understand the foundational ideas for technology/curriculum integration.

SESSION 2: Web 2.0 Programs, Blogs, Podcast, Vidcasts and Wikis -- Learn techniques used by teachers of all grade levels to integrate these tools with 21st century skills and curriculum. Explore links created by teachers and then create your own curricular connects.

SESSION 3: Free Web 2.0 word processors, spreadsheets, paint tools and recording programs -- Learn how these simple tools can enhance the performance of your students and create individualized expression of learning.
